Dear Sir or Madam:

Valley Christian School is now in its thirty-fourth year of providing excellent academic instruction in a nurturing, Christ-centered environment for children for pre-school through the sixth grade who live in Philadelphia, Montgomery and Bucks counties. Our graduates have gone on to public and private junior and senior high schools, home schooling, and charter schools, consistently demonstrating academic preparedness and the social and emotional maturity to be valuable additions to their new student bodies. Our graduates pursue a wide range of careers in the following professions: medical, legal, technology, education, ministry, construction, and human services.

We will be having a Silent Auction on Friday, May 16, 2008. We are looking to our community for assistance in being able to offer a fine selection of goods and services for bid that evening. We would like your participation, and are asking you to consider donating tickets, passes, or merchandise. All contributions are tax-deductible. We would like to help promote your organization at this event as well and will do so in the following ways:

- **Your donation will be recognized in our Program Booklet that will be distributed that evening.**
- **All donors are listed on our website with a link to your organization's website.**

Please call the School directly if you are able to participate.

Thank you, in advance, for your time and assistance, and please join us on the evening of May 16.

Sincerely,

Annette D. Tusing
Director of Development

The mission of Valley Christian School in partnership with each parent is to develop Christ-centered thinkers, with a heart for God, equipped to excel in all aspects of life.
