VCS Art Show

This is a Valley Christian School event that you will not want to miss! Our students will be showcased for their 2005-2006 art work under the direction of Mrs. Rita Carswell, our beloved art teacher. The Boyer Auditorium will be converted into the VCS Art Museum on the evening of April 27, 2006. The "VCS Art Museum" will be open through the entirety of the event.

Dinner

Dinner will be offered for a moderate price beginning at 6:00 PM. Food may be purchased throughout the evening so bring your appetite!

Honoring VCS faculty

A highlight of the evening will be the honoring of our VCS faculty and staff who have served the school for five, ten, fifteen, or twenty years. Yes, we have a dedicated group of committed Christians who have given time, talent, and much love to the education of hundreds of children over a period of thirty two years.

The Silent Auction

The silent auction is fun and rewarding for all that participate and a worthwhile fundraiser for the school. Proceeds from previous auctions aided in capitol improvement projects as well as funded the purchase of the VCS sign located at the front of the property. All proceeds from this years Silent Auction will be used to fund projects and special events that will benefit the students of VCS.

The VCS Auction Program

This keepsake will feature dedications from parents, grandparents, and friends of VCS; advertisements from supporting merchants and a complete listing of items available for bid. If you are interested in securing space in the program please contact the school office at 215-947-4581 for more information.
